

Master of Health Administration Approved Elective Courses

This list indicates courses that the MHA program has pre-approved as elective courses for health administration students. However, some courses may require prerequisite courses or department/instructor approval before a student can register; enrollment is not guaranteed (noted with ***). Students desiring to enroll in a course not on this list must complete a [Petition for Unapproved Elective form](#) and submit it to the Assistant Director.

Descriptions of these courses can be found [here](#).
